PRELIMINARY AMENDMENT

The Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

Prior to examination of the above-captioned U.S. patent application, kindly amend the specification and claims as follows:

In the Specification:

On page 24, line 7, after "purpose.", add the following sentence: --As should be clear from Figures 1-3, the inventive process is conducted without application of heat.--

A replacement page 24 is presented on the following page.
